

**SafetyReports.com Terms of Use**

These Terms of Use (“Terms”) govern the use of the Safety-Reports, Inc. (“we,” “us”, “SRI” or “Safety-Reports”), Web Site and Mobile Application (Apps). ANYONE ACCESSING THE APPS AGREES TO ABIDE BY THESE TERMS. We may modify these Terms at any time, and such modifications have become effective immediately upon posting on the Apps. Your continued access or use of the Apps after the modifications have become effective shall be deemed your conclusive acceptance of the modified Terms.

1. License. The contents of our Apps, including its “look and feel” (e.g., text, graphics, images, logos, and button icons), editorial content, notices, software (including HTML or XML- based computer programs) and other material, are protected under both United States and foreign copyright, trademark and other laws. These contents belong or are licensed to Safety-Reports. We hereby grant you the right to view and use our Apps subject to these Terms. You may download or print a copy of information provided in the Apps for internal use or distribution only. Permission to reprint or electronically reproduce and document or graphic in whole or in part for any other purpose is expressly prohibited, unless prior written consent is obtained from us.

2. Your responsibility. You assume all responsibility for your use of, or access to, the Apps, including your access to any SRI Safety Inspection reports obtained from the Apps, and waive all claims or claims or causes of action against Safety-Reports, its officers, directors, employees, agents and affiliates in connection therewith.

3. Disclaimer. THESE APPS AND THE INFORMATION IT CONTAINS IS MADE AVAILABLE “AS IS,” WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED. WE MAKE NO GUARANTEE THAT THE INFORMATION ON THESE APPS IS UP-TO-DATE, ACCURATE, OR COMPLETE, AND YOU SHOULD NOT RELY ON IT FOR ANY DECISION OR TO TAKE ANY ACTION. WE HEREBY DISCLAIM ANY WARRANTY THAT THE INFORMATION ON THE APPS WILL BE FREE OR INTERRUPTION, OR THAT THE SITE IS FREE OF VIRUSES, WORMS, TROJAN HORSES OR OTHER CODE THAT MAINFEST CONTAMINATING OR DESTRUCTIVE PROPERTIES. Changes are periodically made to the information herein; these changes will be incorporated in new editions of the Apps.

4. Additional Products and Service Disclaimer. Safety-Reports makes available certain descriptions of its products and services on the Apps. Safety-Reports does not represent or warrant that any particular product or service will conform to those descriptions. Each product or service is governed specifically and exclusively by the instrument entered into by the parties for that product or service and not by any information posted on the Apps. This paragraph 4 is in addition to and not instead of the disclaimers set forth in paragraph 3 above.

5. Indemnity. You agree to indemnify, defend and hold harmless Safety-Reports, its officers, directors, employees, agents and all affiliates from and against all losses,

expenses, damages and costs, including reasonable attorneys' fees, arising out of or relating to any violation of these Terms or any activity related to use of the Apps (including but not limited to infringement of third parties' worldwide intellectual property rights or negligent or wrongful conduct) by you or any other person accessing the Apps on your behalf.

6. **Restricted Access to Portions of the Apps.** You agree to take reasonable measures to ensure that no unauthorized person or entity shall have access to restricted areas of the Apps using your name or password. You agree that, if you are provided rights to access or use restricted areas of the Apps, those rights are non-transferable. You may not assign, sublicense, transfer, pledge, lease, rent or share the username and password to anyone other than the employee or agent authorized to act on your behalf, and subject to all of the provisions set forth in these Terms. You assume all responsibility for loss or misuse of your password and are responsible for any activities undertaken by a person in possession of your username or password for any reason other than solely due to the negligence of Safety-Reports.

7. **Governing Law and Forum.** These Terms and the interpretation, performance and enforcement of your and Safety-Reports rights and duties, shall be constructed in accordance with the laws of the United States, except for the conflict or choice-of-law principles thereof. By using the Apps, you agree to submit any and all disputes arising out of or relating to these Terms to the exclusive jurisdiction of the state or federal court located in Douglas County, Nebraska, or, at Safety-Reports sole election, to binding arbitration before a single arbitrator pursuant to the United States Commercial Dispute Resolution Procedures, with such arbitration to take place in the United States court of Law.

8. **Privacy.** We may use the information you provide for internal business purposes, including to send you subsequent communications. We will not sell or transfer your business information to a third party without your permission.

#### What Information We Collect and What We Do with It

We do not collect Personal Information from visitors to our Mobile Applications unless you voluntarily decide to transmit it to us through one of the provided forms or e-mail addresses. Application users are invited to make inquiries about our company and the service we provide. We may use all the information you provide us in those communications to respond to your inquiry and to provide you with information relating to our company or products that we believe you may find of interest.

9. **GDPR.** If your use of any Safety-Reports products and services fall within or are subject to the EU General Data Protection Regulations, you, as the data controller, are responsible for all personally identifiable data stored within the Safety-Reports product or service. For more information see the [Safety-Reports Privacy Policy](#).

**We reserve the right to change these Terms of Use as well as the Safety-Reports Privacy Policy from time to time. Your use of our Website and Mobile Applications and submission of Personal Information through these applications constitutes acceptance and understanding of this Statement as in effect at the time of your submission.**
